

Digital tools

E-tools and portals used by students

VUB	ULB
<p>VUB account (password portal) replaces PAM as from 21/2/2022</p> <p>What? Manages your password linked to your account/NetID</p> <p>How to log in? Go to https://account.vub.be and use your VUB email address. If you log in for the first time, please change your password and fully enroll, so you can manage your password independently later on. Please allow up to 20 minutes for synchronisation with all other services. You can manage your account either with Microsoft or Google authenticator app via your smartphone.</p> <p>Forgot your password? Go to https://account.vub.be, select 'Forgot your password', use your email address and select the option to prove your identity (Google or MS authenticator).</p> <p>Note: if you are a guest student at VUB, please first set up your logins and passwords at ULB/your main university.</p>	<p>ULB account (QuldAM)</p> <p>What? Manages your password linked to your ULBID</p> <p>How to log in? Go to https://monulb.be and to https://monulb.ulb.be/group/monulb/my-ulb-account#/ to change your recovery email address or to change your password.</p> <p>Forgot your password? Go to https://monulb.ulb.be/fr/web/monulb/reset-password to reset your ULB password</p> <p>Note: if you are a guest student at ULB, please first set up your logins and passwords at VUB/your main university.</p>
<p>Wireless networks VUBnext, Eduroam and VUBguest</p> <p>What? VUBnext: wireless network for students/staff Eduroam (education roaming) allows non-VUB users to log into wireless networks using the username and password they use in their home institutions. VUBguest: network for guests</p> <p>How to log in? VUBnext: use your NetID and password Eduroam:</p>	<p>Wireless network Eduroam</p> <p>What? Eduroam (education roaming) allows students, researchers and staff from participating institutions to obtain internet connectivity across campus and when visiting other participating institutions.</p> <p>How to log in with your pc? If you're a student: username is your ULBID followed by @ulb.ac.be (e.g. tdupont@ulb.ac.be) and password is the password linked to ULBID. Follow these instructions to connect: https://support.ulb.be/fr/-/quels-sont-les-codes-</p>

<p>If you are a VUB student: log in with <code>firstname.lastname@vub.be</code> and NetID related password; If you are a non-VUB student: use your Eduroam identity and password as defined by your home institution.</p> <p>VUBguest: contact ServiceNow https://vub.service-now.com/sp/ to request access.</p>	<p>d-acces-au-wifi-/4.9</p> <p>If you're a guest: follow https://www.guestroam.be/ and fill out the form, including your contact at ULB (person you are visiting). Select ULB and then ResULB or the faculty you are visiting. The wifi code will be sent straight to your laptop after validation of your mail/phone number and approval.</p> <p>How to log in with your smartphone/tablet or Macbook?</p> <p>For Android: see https://support.ulb.be/fr/web/support/-/je-souhaite-me-connecter-au-wifi-eduroam-avec-un-appareil-android-smartphone-/tablette-comment-faire-</p> <p>For Iphone: see https://support.ulb.be/fr/web/support/-/comment-se-connecter-au-wifi-eduroam-avec-mon-iphone-</p> <p>For Macbook, see https://support.ulb.be/fr/web/support/-/how-to-connect-with-eduroam-wifi-with-my-macbook-</p>
<p>Microsoft 365</p> <p>What? Gives you access to your official VUB email and Office software like Word, Excel, PowerPoint, OneDrive, Outlook and Teams.</p> <p>How to log in? Go to https://www.office.com and log in with your VUB email address (<code>firstname.lastname@vub.be</code>) and password.</p> <p>Forgot your MS 365 password? See VUB Account</p>	<p>Microsoft 365</p> <p>What? Gives you access to your official ULB email and Office software like Word, Excel, PowerPoint, OneDrive, Outlook and Teams.</p> <p>How to log in?
